

**AYSO REGION 677
VOLUNTEER REFEREE POINT SYSTEM**

U10/U12

- The home team must provide **two** certified referees (one to AR and one to center) and the visiting team must provide **one** certified referee to AR for the game **after** their children's game.
- If your team is scheduled for the last game of the day, then your team is responsible for covering the **first** game of the day with the above number of certified referees.
- We recommend that the certified referee **not** be the coach (the referee should be a parent in order to allow the coach to debrief his team at the end of each match).
- 1 point will be awarded **per week** for teams that meet their referee requirement.
- If a team defaults on more than 3 referee points, then the team will not be eligible for Region/Area playoffs.
